

RESTORE Leader's Packet 2012

This will be our 5th year of the Restore Retreat. Our goal is for all youth around the area to find a gathering place to *recharge* the faith, *reconnect* with other believers, and ultimately **restore** their relationship with God. This packet is a tool that will help explain the retreat, provide the necessary steps, as well as connect with volunteers on how they can help us in providing this retreat.

For Leaders

We cannot do this retreat without your help. In order to make it easier for you to provide assistance and bring in more volunteers, **every adult who comes and helps can come for free** as long as they register by January 20th. After January 20th there is a \$10 processing fee for every volunteer that comes. Upon registration leaders will register for the event and receive additional info on how they can help. The registration process will require us doing a background check, references, and sexual abuse training (if they do not have a current one on file with us).

We are continually improving our way to make sure leaders will have a smooth experience as they arrive on camp. To make this easier for us, we would like you to register your group so we can arrange for sleeping accommodations and even small group assignments. There will also be more time devoted for you to spend more time with your group. We ask that leaders sign up their groups by filling out the form with the group's info including names, ages/grades, gender, and any other info you would like to include about the group. All group members may not be able to be with their group in all arrangements, but we will do our best to accommodate various needs.

Who will be there?

Guest Speaker: Duke Underwood

Duke, founder of R.E.A.C.H. Up USA & the Rok, a youth outreach center in Lubbock (www.reachupusa.com), has been a guest speaker for different age groups for our summer camp programs for several years. He travels around the country impacting youth & adults through his talks with the goal of having them know the power of Christ in their daily living.

Worship Leader: Mikey Littau and the WTAMU Wesley Center Worship Team

Mikey is the Director of the Wesley Center at WTAMU (www.wtwesley.com). The Wesley Center Worship Team led worship at One Way 9/12 this last year.

What should be expected?

Purposeful, scheduled time for youth & youth leaders: it will be a short weekend packed with many meaningful activities, sermons, worship, & more. As a youth leader, the "free time" in the retreat can be used to connect with youth. A changed environment & experience can open doors & hearts that may not be available in the youth's normal settings. We desire & pray for effective change through all things planned.

Small groups will be youth group focused: unless requested otherwise on their forms, all those that came as a group will stay as a group. We realize the importance of youth leaders having the time with the youth they need and to better be able to talk with them more directly. We give the students & leaders the choice of whether or not they stay with the group. Some may want to find new & different groups if there is a thought that by being with people they know, it is either: too comfortable (thus sharing with those around them is easy & known) or too judgmental (a feeling of being more open with strangers than people who know you). Groups can also be split according to their grades due to the fact that High School students & Junior High students can be on different maturity levels.

Cost will be minimized to make it easy to afford: if you were to add up the cost, the price is lower than what you would pay if you were to do your own retreat. However, lower price doesn't mean lower quality. Our retreat will include impactful teaching & activities that leaders do not have to plan for. If the youth feel they cannot afford it & the church cannot cover them, there are many people out there that would pay for a youth to attend an event like this.

Branch-Out sessions: it is easy for students to only focus on their groups & feel they are alone in their thinking or wonder if other people think the same way. The body of Christ is broad & insightful. We want the opportunity for students to reach out and listen to others share their stories from other congregations or groups.

How do we get Group Pricing?

To register your group, please fill out the group registration found in the packet. Special group pricing is included for those registering through the church where a leader or leaders of the church will be present to assist with supervisory needs of the group during the retreat. Students may register separately but must put their church group on their registration.

As a Leader, what is my responsibility?

During the retreat we want to make sure that your first responsibility is to be with the youth you came with. Along with that our desire for you is to help where you can with supervision, counseling, leading discussions, or other areas of need. A packet will be provided to you either prior to your coming out or upon registration which will have a detailed discussion map and outline of activities & how to get involved with the retreat. This will aid you in how to specifically assist us in running the retreat.

Our Church has No Youth Leaders or Volunteers

We want to make sure that your youth can still come. If you do not have someone to send with your youth, we will make sure there is someone to take care of them while they are at camp.

How Can I Help?

If you as a leader have a special gift or skill that you would like to offer as part of worship or activities, please call or e-mail me with that information. Some ideas would be: creating/helping with a skit, leading a group game, doing a small talk or devotion, or creating a small group discussion.
